

ROOFING INSTALLATION INFORMATION AND CERTIFICATION FOR REDUCTION IN RESIDENTIAL INSURANCE PREMIUMS

NOTICE TO HOMEOWNER: Completion of this certificate may entitle you to a reduction in your residential insurance premium. This certification form is solely for the purpose of enabling residential property owners to obtain a reduction in their residential insurance premium and it is not a warranty, expressed or implied, by the manufacturer, supplier, installer, or American Family Mutual Insurance Company. Premium reductions are not available for roofs, (other than qualifying metal roofs), that have been overlaid on existing roofs.

Roofing Company Name (Please print)	License No.	
Street Address	Phone No.	
City	State	Zip

Address of Residence (Installer/Inspector must complete the following information before signing form)

Owner Name (Please print)	Home Phone	
Address	Office Phone	
City	State	Zip

I, _____, an authorized representative of the roofing company named above, do hereby certify that I have inspected or installed, in accordance with the manufacturer's specifications on the above described residence, a roof covering appearing on the American Family Approved Roofing Products Listing as of the date of installation. It is listed as complying with Underwriters' Laboratory Standard 2218, Impact Standard for Impact Resistance of Prepared Roof Covering Materials, or with Factory Mutual Standard 4473, Specification Test Standard for Impact Resistant Testing of Rigid Roofing Materials with Freeze Ice Balls, with an impact resistance classification of:

UL 2218 Class 3 FM 4473 Class 3 Other: On AmFam Approved List
 UL 2218 Class 4 FM 4473 Class 4 (ID the Manufacturer and Brand below)

Roof Type (i.e. Composition Asphalt): _____

The roof covering has not been overlaid onto existing roofing material (other than qualifying metal roofs), and is free of defects or damage, including hail damage.

Manufacturer's Name	Year Manufactured
Brand Name	Install Date

Labeling of Products:

The roof covering installed on the above described residence bears the following label (Check one):

- The roof covering product packaging indicates the U.L. classification under U.L. Standard 2218, FM 4473, the manufacturer's name, the date of manufacture, and the brand name. A label from the packaging has been supplied to the owner of the residence.
- Each individual shingle, tile, shake, panel, sheet, etc. of roof covering is separately labeled with the U.L. Standard 2218 or FM 4473 classification and with the manufacturer's name, the date of manufacture, and brand name.
- On American Family (AmFam) approved Roofing Product Listing as of the date of installation.

Original Signature of Roofing Company Authorized Representative	Date
