# Zip-Clip® Roof Tile Clips

## FEATURES AND BENEFITS

EASY  
INSTALLATION

### Easy Installation

Zip-Clip® roof tile clips are ergonomically designed with no sharp edges for more pleasant handling and easier installation.

SAVE  
TIME & MONEY

### Save Time and Money

While quick and simple to install, Zip-Clip® roof tile clips are less expensive than stainless steel clips and just a few sizes of clips fit many different tile profiles.

WEATHER  
RESISTANT

### Weather Protection

Successfully tested Batten Clips to withstand up to 134 mph wind speed. Made of durable, reinforced plastic that won't rust or corrode.

For corrosive coastal environments it is recommended to fasten the clips with stainless steel nails or screws for best corrosion protection.
