### ClayMax®

ClayMax tile is ideal for re-roofing, as well as residential, commercial and homeowners association projects where weight, durability and value are important considerations, but style and performance are not to be compromised.

### ClayLite®

The beauty of kiln-fired clay and the efficiency-advantage of 1-piece "S" Tile are elegantly engineered into ClayLite, a genuine clay tile that reduces weight by as much as 40%. Made from the same natural materials as our standard weight tile, ClayLite is designed especially for re-roofing.

Please contact your local Boral Territory Manager or call 1.800.669.TILE (8453) to sign-up.

<sup>1</sup>You must meet all conditions and some exclusions apply.

<sup>2</sup>Excludes ClayMax Black.

<sup>3</sup>Please refer to the Clay Limited Product Warranty; details found on our website at [www.BoralRoof.com](http://www.BoralRoof.com).

## Promotion Details:

### These conditions of acceptance must be met to receive rebates.
